Now secure your Financial Information, Business Data
& other important documents from identity theft & crime.

The Ultimate Paper Shredding Solution

RT-3015
50 sheets

RS-8800 I
40 sheets

RS-2200 Series
30-40 sheets

CD-425 Series
25 sheets

Winner Series
20-24 sheets

Auto Feed Series
130 sheets

PD-316 Series
15 sheets

S-I / S-II Series
7 / 11 sheets

S-16 Shredder
6 sheets

High Quality Geared Motors:

Oaster Shredder is run by powerful and efficiently geared motor designed for high performance of cross cutting with minimal noise.

Special Hardened Cutting Mechanism:

The life of any shredder depends upon the durability of the cutter. The Oaster cutter is made of special steel that has been heat-treated to a very high specification & special ground to ensure longevity.

Door Safety Auto Sensor System:

To ensure user safely the motor automatically stops, if the door is open.

Auto Control Reverse System:

In case of Paper Jam the built-in IC Panel board immediately switches the motor into reverse and alarm.

Auto Sensor System:

when the waste basket is full, the motor is automatically stops.
